

# ALL TOGETHER NOW - Song Structure L3

Each section of this song uses the same chord structure all the way through for each section except bridge 2, where just 4 C chords are played. You will take lead in playing alternative chords throughout the majority of the song with just single strums at the start of each bar as well as the riff that comes in 5 times throughout the song.

**CHORDS:** Alternative Chords - All single strums on beat 1 of each bar when stated.

[C]      [G]      [Am]      [Em]      [F]      [C]      [F]      [G]

**THE RIFF:** The riff is replicating the synth sound and is a one bar pattern of sixteenth notes that comes in just before the downbeat. It is repeated 8 times for each section played, except on the 2<sup>nd</sup> bridge where it is just played 4 times.
