

## LAST CHRISTMAS - INTRO TAB

Bar 1 & 2 repeat again for bar 3 & 4. Bar 5 & 6 play the same rhythm as bar 1 & 2 but on fret 5 – 7. The last bar plays over the G chord and runs down the C major scale starting on the B note – fret 2.

To pluck this rhythm, you can alternate your index and thumb on the A string until you get to the last two bars. Watch the video for instruction.
