CHARITY FUNDRAISERS, NON-FOR-PROFIT AND COMMUNITY EVENT BOOKINGS:

Whilst UCL endeavours to support as many charitable causes and community events as possible, unfortunately, we get asked to play for free on many occasions, and while would love to support all of your great causes, unfortunately we also must also consider the expenses and costs incurred such as rehearsal room hire, admin for song sheet printing, time and transport costs, so to assist we can offer the UCL Community Band rates for such events. The PA is not included in this package.

ADDITIONAL SONGS:

To request an arrangement of an additional song that is not currently in the UCL repertoire, we will require an arrangement fee of £25.00 per song (2 x songs max) and must allow a minimum of 2 months' notice prior to the event to provide enough time to rehearse the songs to a good performing standard. Please state on the booking form if you require this service.

BANK HOLIDAYS & EXTRA CHARGES:

All packages are priced subject to date, time & location. Extra charges may apply for bookings made on bank holidays including Christmas & NYE.
